History of the THC Ministry

Roger Christie, founder of the The Hawai'i Cannabis (THC) Ministry, was born in 1949 in Steamboat Springs,

Colorado. His father was a member of the 10th Mountain Division that trained at Camp Hale and fought the Nazis in the Alps in World War II. In 1970, Roger enlisted in the US Army and was trained as an intelligence analyst, but became galvanized to action by the wrongful nature of war. He fought for and received an honorable discharge as a conscientious objector. His success as a 21-year-old against the U.S. Army propelled him to pursue other goals, and he has been a steadfast advocate for the re-legalization of cannabis and hemp for more than 35 years.

On June 19, 2000, Roger received a license to perform marriages in the State of Hawai'i, becoming the nation's first licensed Cannabis Sacrament Minister (Hawai'i Department of Health License # 00-313). Roger founded The Hawai'i Cannabis (THC) Ministry in Hilo, Hawai'i to share the blessing of the Ministry with the world. Roger opens the Ministry to all sincere religious users and cultivators of *Cannabis* and has built a worldwide congregation of *Cannabis* sacrament practitioners from more than 60 countries.

THC Ministry Blessing

God, that's great!

Show me the blessings in this situation... and hurry!

We are safe, we are loved and all is well.

Our Beliefs

The THC Ministry Is a universal religious organization that uses *Cannabis* to exalt consciousness, facilitate harmony, and become closer to God and Nature.

We believe that:

- Cultivation and enjoyment of *Cannabis* sacrament is a fundamental human right provided by God and protected by the U.S. Constitution.
- Sacramental use of *Cannabis* opens the mind, frees the soul and releases the body to commune with God and balance itself.
- *Cannabis* has been used for millennia as a sacrament by spiritual seekers & is the original sacrament of Hebrew, Muslim, Christian, Hindu, Shinto, Buddhist, Rasta and more.
- *Cannabis* is the Tree of Life, given to humans by God for food, shelter, clothing, fuel, medicine, sacrament and much more.
- *Cannabis* was given by God to help humans find answers to fundamental questions about the meaning of life and their place in it.
- *Cannabis* fosters a spirit of harmony and compassion among people.

Our Practices

Holy *Cannabis* sacrament is used by members for prayer, meditation, worship, nutrition, healing, and fellowship.

- We use *Cannabis* in formal rituals, including baptisms, weddings, & funerals.
- *Cannabis* use as a sacrament is also encouraged for communing with nature.
- Holy Anointing Oil, made according to the recipe given to Moses, is used to bless and heal.
- Making and providing *Cannabis* sacramentals for those in need is an important part of the THC Ministry's mission.
- We teach members to bless their challenges, find the good in any situation and to honor all of God's creation.
- We strive to live with modesty, good manners and humbleness.

Holy Anointing Oil

Holy Anointing Oil is a key component of the THC Ministry. The ancient recipe, given by God to Moses in Exodus 30:23, was made with myrrh, cinnamon, *Cannabis* ("fragrant cane"), and cassia infused in olive oil and blessed with prayer.

The THC Ministry makes the Holy Anointing Oil of Moses and the christening oil of Jesus based on the Old Testament recipe. We're honored to bring this age-old practice back to modern times.

Our Holy Anointing Oil has had extraordinary effects on many physical ailments, including gangrene, arthritis & migraines. It is also used for spiritual purposes. The word "Christ" means "Anointed One." Jesus Christ used Holy Anointing Oil to heal the sick and bless people.

Legal Background

Cannabis sacramental use is a lifelong right given to the human race by the Creator of all things.

The First Amendment to the U.S. Constitution protects religious belief and practice, and so does the written guarantee of every state Constitution.

The United Nations Universal Declaration of Human Rights, adopted in 1948, explicitly protects religious freedom in Article 18.

The Religious Freedom Restoration Act (1993); *Guam v. Guerrero* (2000); *U.S. v. Bauer* (1996); *State v. Blake*, 5 Haw. App. 411 (1985); *Leary v. U.S.* (1969); and *U.S. v. Meyers* (1996) all assist in defining the legal status of religious *Cannabis*.

See our website for more legal information.
